In Pro: No: 5337-9 / L.J. 114-92 dated 22.9.9

Govt. sanctioned an establishment, costing Rs 1404 with a provision of Rs 36 for Contingencies, to look after the sanitation of the Urigam village and sundry cooly lines situated outside the mining estates, a moiety of the cost of the establishment being debited to Provincial revenues and the other half to District Funds.

In Govt Pro: No. 11262-5 / L.J. 114-92 dated 1.4.96 the cost of the Conservancy establishment was increased from Rs 1404 to Rs 2,304 the provision for contingencies being raised from Rs 36 to Rs 108. The

cost was to continue to be met from Provincial and District Funds in equal proportion as before.

On the formation of the Kolar Gold Fields into a separate Sanitary Board, a separate establishment at a cost of Rs 7,860 was sanctioned in Govt. Pro: No: 5301-2 / L.F. 17-99 dated 3rd November 1899. In addition to this, the original establishment also was continued but the moiety of the cost of this establishment continued to be charged to the Kolar Dist. Fund Board as before.

C in L.B. 7 114 of 92

In May 1900 the President was enquired if the Sanitary Board were prepared to bear a moiety of the cost of the establishment (Sanctioned in 1896) and of contingencies which were properly chargeable to the Funds of the Sanitary Board and not to the Kolar District Fund Board. The Sanitary Board agreed to this and provision has been made for a moiety of the cost in the Budget of the Sanitary circle since 1900-1901.

The other half chargeable to the Provincial revenues is being shown under "23 Miscellaneo from the year 1896-97. The provision for 1902-03 is Rs 1206 as in previous years and is shown under "23 Mis: / Other Specia charges / Sanitary Establishement and Con tingencies of Wrigam village." (Page 242 of the Printed Budget for 1902-03). Now with regard to this provision, the Dewan ha pleased to observe as follows:—

"Enquire why Sanitary Board Kolar should not take it up. Suggest they ought to do so."

Note continued.

In reply to the above the President Sanitary Board, Kolar Gold Fields states that the Govt's suggestion will be placed before the Sanitary Board and the result communicated as early as possible.

He, however, points out that the esta blishment undersd. is now solely

employed on Plague duty and will be required if plague were to cease, that the moiety of the pay of the establishment already borne by the Sanitary Board is a charge which should really be met by the Plague Department rather than by the Sanitary Board and that it does not seem equitable to saddle the Board with the cost of the whole establishment.

The phrase "Establishment and Contingencies of the Urigam village" is said to be not clearly understood.

The President adds that the establishment was originally a Local Fund one and appropriated for the whole of the Gold Fields, that subsequently it was amalgamated with the Sanitary Board establishment and a moiety of its cost was met by the Sanitary Board and that recently it has been made over in toto to the Plague officers for Plague work.

The pay of the establishment specially entertained solely for plague duty is debited to plague Funds in the Districts; (as per para, 14 Clause (b) of Govt. prov. No 3082-94 / Fl 313 dated 26 October 1898) but in the cities of Bangalore & Bowpore the cost of the Health office establishment & that of the Registrars and their establishments is met from Municipal Funds. The Society of the plague Hospital in the Bangalore city and the entire cost of the plague Hospital in the Bowpore city is also met from Municipal Funds. The cost of the Disinfection establishment in the Bowpore city is met in equal proportions from Municipal plague Funds (as per Govt. prov. Nos 1291-3 dated 19.4.1898 919-22 dated 29.1.1901.)
